Dear Frank, Grace and Frank Jr.,

On behalf of the management, staff and competitors of Scotia Speedworld and the Maritime Pro Stock Tour, we offer heartfelt congratulations on this occasion of Scott's induction in the Canadian Motorsport Hall of Fame.

We are proud to have Scotia Speedworld known as Scott's home track, and to recognize his contributions to both Scotia Speedworld and the Maritime Pro Stock Tour – and also to the motorsports industry in general – especially in the Maritimes. By virtue of his talent and passion for winning, he helped fuel the level of competition at our track and in our series to the point it is today.

As a competitor, Scott's exceptional ability on the track was only equaled by his popularity with his fans. As a person, he was a wonderful and worthy ambassador for us, for the Maritimes and indeed for all of Canada as he raced his way into the hearts and homes of countless followers far and wide.

Please accept this gift from us, an eternal flame engraved to mark this occasion, as a perpetual tribute to Scott's life and talents.

Sincerely,

Ron Clarke
